

REVIVE TCM

Natural Libido Enhancement Formula

DESCRIPTION:

REVIVE TCM is from an ancient Chinese herbal formula originally designed for overall health maintenance, energy recovery, micronutrients and mineral supplementation (see individual ingredient's functions below). However, ample evidence points to the formula's particular effectiveness for libido enhancement in men and reportedly, hormonal balancing for woman. **REVIVE TCM** works by triggering the brain centers that produce sexual response and is a not a vasoactive preparation which works by dilating blood vessels and lowering your overall blood pressure.

Traditional Chinese Medicine Meets Modern Science

Can a Traditional Chinese herbal preparation be as effective in helping to improve libido? We believe so. If you've tried herbal supplements for sexual enhancement and libido only to be disappointed, you'll be amazed when you try **REVIVE TCM**. Though classified as a nutraceutical in the U.S., **REVIVE TCM** has been prescribed for enhancement of male sexual libido and performance by Chinese physicians for years. Even more significant, the active ingredient, Bombyx Mori L, has recently been coupled with an herbal blend to provide the most potent and effective formula ever produced. **REVIVE TCM** is also for kidney and liver yin deficiencies, kidney essence deficiency, nourishes blood, balances hormones, reduces caloric intake and increases sexual response and vitality. **REVIVE TCM** works with the body in a natural way to foster the enhancement of the libido with an array of life giving benefits.

BENEFITS:

- All ingredients in the formula are 100% natural. A gentle supplement that strengthens the overall energy of the body.
- Contains unsaturated essential fatty acids, and an abundance of the best composition of amino acids and important minerals.
- Balances hormones and helps the body maintain its youthful generation of sex hormone, Testosterone levels. Helps recapture that youthful energy in all areas of your life.
- Natural ingredients have been used for hundreds of years in China to increase libido, enhance sexual satisfaction and hormonal balance in men and women.
- A holistic supplement that works to balance energy of the whole body.
- A cumulative effect suggests that the longer you take it, the more present and powerful the results. It has been demonstrated to help both men and women achieve and enhance sexual pleasure and a youthful vitality.

INGREDIENTS:

Bombyx Mori L is the male silkworm moth extract that has a long history in China of being used as a male sex tonic. Rich in unique proteins and **male hormones**, male silk is conducive to the normal growth of the body and **the formation and evolution of the male reproductive organs. It is used to nourish the kidneys and accelerate the growth of sperm. The male silkworm moth has been known for centuries as an extremely potent male sexual stimulant impacting the nervous system.** Bombyx Mori L. is a rich source of minerals and contains an abundance of all known Amino Acids. Rich in unsaturated fatty acids, helps prevent arteriosclerosis.

Ginger Root works with Oyster to produce the maximum effect. It is used for a variety of ailments including nausea, premenstrual discomfort, antidote to shellfish poisoning, poor digestion and motion sickness. A powerful anti-oxidant & circulatory stimulant that relaxes peripheral blood vessels and promotes sweating. Chinese medicine often uses Ginger for cleansing the body of toxins.

Oyster or Mu Li in Chinese medicine, benefits Yin, anchors floating Yang and enriches female essence while properly channeling male essence. Oyster Shell is rich in calcium which is used for treatment and prevention of hypocalcemia, osteoporosis, premenstrual syndrome (PMS) and reducing the risk of colorectal cancer and high low-density lipoprotein (LDL) levels.

Wolfberry Fruit or Gou Qi in Oriental medicine nourishes and tonifies liver and kidney, treats Yin and blood deficiencies and enriches Yin (female essence). Wolfberry Fruit is used for diabetes, hypertension, improving circulation, erectile dysfunction, strengthen muscles and bone and as a blood, liver, and kidney tonic.

Eleuthero Commonly known as Siberian ginseng, may improve athletic performance, strengthens the immune system and helps the body adapt to stress. Boosts concentration and focus without the caffeine letdown. Facilitates the effectiveness of most herbs with which it is mixed.

RECOMMENDED DOSAGE:

Directions for use: **REVIVE TCM** works by triggering the brain centers that produce enhanced sexual results. Over a several day "loading dose" period, acceptable blood levels are achieved and increased libido and performance are evident. After that, maintenance levels vary according to individual physiology. Eventually, you need only take three or four capsules a week. **REVIVE TCM** is potent, yet safe when taken according to package directions. Each capsule contains **130 mg active ingredients.** **REVIVE TCM** comes in a variety of sizes: **2 & 4 cap Pak, 10 capsule bottle, 23 capsule bottle and 50 count bottle.** Woman may take one capsule per day or every other day as recommended by your healthcare professional for best results. Positive hormonal balancing issues have been reported. Check with your healthcare professional if 1 capsule a day does not work as described. It is not uncommon to take 2 capsules with no reported side effects. There is sometimes a brief period of physiological adjustment for many herbal products.
